

## SCHOOL-BASED PROGRAM PARTICIPANT ACADEMIC COMMITMENT

We, the undersigned, understand the importance of school attendance and participation as integral learning experiences for AFS School-Based Programs, both for High School and University.

We further affirm that compliance with school rules and regulations must be conscientiously observed as one of the primary responsibilities in participating in any of the AFS School-Based Programs.

We also understand that AFS may terminate participation in the program if the school obligation is not met. This may include excessive absences, misdemeanor, and other related cases.

Your signature indicates an understanding and acceptance of the inclusions and consequences of this Academic Commitment.
